### Tasting Note

**Colour:** Deep mahogany.

**Nose:** Citrus and oak dominate the nose but there is so much more: fruity notes of fat cherries, over-ripe yams, grapes, floral notes and sweet vanilla. There is molasses and hickory notes too.

**Palate:** It is silky, deep, rich and mellow in the mouth with loads of marmalade, juicy dates, burnt raisins, smooth bitter chocolate and Jamaican Blue Mountain coffee notes, mocha too. There's a whiff of peat and fine, delicate smoke.

**Finish:** A long, fine, firm finish.
